

ORGANIZATIONAL CLIENTELE

Mr. Pometto has served in educational, employee training, organizational development, executive coaching and management consulting capacities for over 30 years with city, state and federal government audiences, including as adjunct faculty for the U.S. Office of Personnel Management at the Federal Eastern Region Management Development Center where he provided training to support the leadership initiatives of all Federal agencies. A preferred trainer for the Maryland Departments of Personnel and Budget & Management supporting State agencies' training and consulting initiatives, Mr. Pometto has also been a frequently requested vendor for the Baltimore City Department of Personnel, including serving as faculty for the Mayor's Executive Leadership Team. His extensive contributions to organizations are represented by his Sample Client List below.
